## PROFILE

I am a skilled web designer and developer with over 4+ years of experience in web design and 1 year in web development. I specialize in creating visually appealing and user-friendly websites using HTML, CSS, JavaScript, and React.js. My expertise extends to responsive design and content management systems like SuitCRM, SugarCRM, and Sitecore. I am proficient in various frameworks and libraries, making me a versatile candidate for web design and development roles.

## PROFESSIONAL EXPERIENCE

### Web & UI Designer

09/2023 – present

Ambit Software Pvt. Ltd. 🌐

Pune, India

As a Web and UI Designer at Ambit Software Pvt. Ltd., I specialize in creating and implementing web and user interface design solutions that are both visually appealing and user-friendly. My key responsibilities include:

- Designing and developing user interfaces for projects primarily involving SugarCRM, SuiteCRM, Sitecore, and React.js.
- Collaborating with marketing teams and designers to deliver tailored digital experiences.
- Staying updated with industry trends and technological advancements.
- Identifying and troubleshooting UX issues to enhance user satisfaction.

### Sr. Web Developer

07/2022 – 08/2023

Adjoint Infocom Private Limited 🌐

Delhi, India

- Worked with clients to create websites tailored to their specific needs and objectives.
- Developed robust and scalable web applications using PHP and MySQL, adhering to industry best practices and coding standards.
- Creating Admin Panel for Websites with the help of PHP, MySQL, Ajax, and frontend codes.
- Created custom backend solutions to meet specific project requirements, optimizing application performance and data management.
- Designed and maintained databases, optimizing queries and ensuring efficient data retrieval and storage for improved application performance.
- Integrated AJAX for real-time data updates, enhancing user experience by enabling dynamic content loading without requiring full page refreshes.
- Designed and developed website layouts using HTML, CSS, Bootstrap, JQuery, and JavaScript.
- Implemented responsive design to ensure optimal viewing on all devices.
- Conducted website testing to ensure cross-browser compatibility and accessibility.
- Provided ongoing website maintenance and support.

### Web Designer and PHP Developer

03/2022 – 07/2022

Croma Campus Private Limited 🌐

Delhi, India

- Developed and maintained websites using HTML, CSS, Bootstrap, JQuery, and JavaScript.
- Designed and implemented responsive layouts to ensure optimal viewing on a desktop, tablet, and mobile devices.
- Worked closely with clients to understand their specific needs and objectives.
- Collaborated with cross-functional teams, including marketing and development, to deliver high-quality websites.
- Created wireframes, mockups, and prototypes to guide the design process.
- Provided ongoing website maintenance and support.

### Web Designer

03/2019 – 03/2022

Dial4Trade Technologies Private Limited 🌐

Delhi, India

- Designed and developed website layouts and user interfaces.

- Created website content using HTML, CSS, Bootstrap, and JavaScript.
- Implemented responsive design to ensure websites were optimized for all devices.
- Collaborated with the development team to integrate website design with backend functionality.
- Conducted website testing to ensure cross-browser compatibility and accessibility.
- Provided ongoing website maintenance and support.
